

Dr Michael A. Prytula ND

Professional Credentials and Accomplishments

- Naturopathic Doctor- Ontario Board Certified Ontario in 1988, Alberta Board Certified in 2012
- Michael A. Prytula ND has seen more than 15,000 new patients, with over 100,000 total patient visits
- At any given time up to 40% of NaturoMedic.com's clients are Americans with patients coming from New York, Pennsylvania, Vermont, Maine, Connecticut, Massachusetts, Florida, California, Texas, Arizona, Montana, Michigan, Illinois, Ohio, and Arkansas
- Canadian patients have come from BC, NWT, Saskatchewan, Quebec, Nova Scotia, Newfoundland and all over Ontario
- International patients from Japan, New Zealand, Australia, India, Saudi Arabia, Oman, England, Bahamas, Germany, France, Bermuda, British Virgin Islands, Puerto Rico, and China
- In 2002, through the efforts of Michael A. Prytula ND, the CAW were for the first time able to include Naturopathic care as part of their extended health care benefits package for GM, Ford and Daimler-Chrysler. (Known as the BIG 3)
- Michael A. Prytula appeared on a CBC special about Canadian Cyclist Steve Bauer and his career revival, which he attributed his revival to being seen and treated by Michael A. Prytula ND and the therapies he prescribed. In spite of being told his career was over, he once again went on to wear the yellow jersey in the tour de France
- Created 5 IV Intravenous Therapeutics courses that are approved in British Columbia, Alberta, Saskatchewan, Manitoba, Ontario and Mexico. See courses information below.
- Consultant for Pure North S'Energy Foundation developing a comprehensive Health and Wellness Program, started 2500 participants to a peak of 25,000 participants. Calgary, Alberta, 2009-2011.
- Wrote and published 2 books with Dr Mary Magnotta ND and Dr Mike Um ND: My Health Navigator and My Health Navigator: The Road to Change. 2013.
